PRESIDENT'S MESSAGE

Is it hot enough??? Take great care and hydrate, hydrate, hydrate!!!

It's exciting to see that the club membership is growing!!! We are elated and thankful for our newest members. Members are our greatest source for the growth of the club. So, continue to invite friends and family to our meetings.

The June meeting was one of the largest since the pandemic. The speaker was informative with unusual fascinating orchid facts. Food abounded and everyone was engaged throughout the night. It makes everyone look forward to more meetings such this one.

Club members are encouraged to offer suggestions to improve the club. Board members are open to ideas.

Your president
Chris
