PRESIDENT'S MESSAGE

Hopefully, everyone is doing well. Never would have anyone have believed we'd still be in a pandemic for almost 2 ½ years!!!

The monthly meetings have been successful and, if all goes well, we will be able to continue "in-person meetings". However, as of today, the Miami-Dade Covid Positivity Rate is 20 percent.

So, please know that the board may have to decide to have Zoom meetings. We will inform you of any meeting change.

If you haven't been attending, please consider coming for the June meeting. We have been adhering to safety practices, including providing individually-packaged snacks and drinks.

Your president,
Chris
